5. All other conditions of service not specifically mentioned herein will be governed by exchange access service including, but not limited to, directory listings, touch-tone calling service, and limits of liability. (D) (T)
6. In the event it becomes apparent that a PSP pay telephone is attached to a line not authorized for such use, the Company reserves the right to disconnect that customer's service. However, should the customer so request, the Company will install a PAL at the rates and charges specified herein. (T)
7. *CUSTOMNET* Service, specified in 10.4.1 of the Exchange and Network Services Price List, is available to Basic PAL customers. (D) (T)
8. Each Basic PAL will be equipped with call screening capabilities. Call screening as referenced here allows participating operator service companies to perform data base verification to determine if third party billed or collect calls are authorized for the billed number requested by the call originator. Call screening does not block calls from completing in the Company's network. (T)
9. The Company shall not be liable for any incidental or consequential damages, including but not limited to loss, damage, expense or charges arising from the Company's provisioning of call screening. (T)
10. The Company does not guarantee nor warrant that call screening will block collect and third party billed calls. The customer shall indemnify and hold the Company harmless from any and all losses, claims, demands, suits or other actions, or any liability, whether suffered, made, instituted or asserted by the customer or by any other party or person, for any loss, damage or charges caused or claimed to have been caused by the failure of call screening to prevent collect third party billed or other similar charges from the customer's account. (T)(M)
11. The Company will provide written verification of call screening upon the request of the customer. There is no monthly or nonrecurring charge for call screening. (T) (M)
